EXHIBITION GROUNDS

Contributor's Parking

In order to accommodate both the buyer and contributor we would appreciate your co-operation in parking. We must have the street behind the barns completely free at all times. The rest of the area we would ask you to keep for a prospective buyer.

PLEASE USE CONTRIBUTOR'S AREA ONLY.

THANK YOU

See pages 4 and 5 for PURCHASER'S SALE INFORMATION and page 118 for INDEX TO CONTRIBUTORS.

PURCHASERS' SALES INFORMATION

The following excerpt from the rules and regulations governing this sale will be of special interest to those purchasing breeding stock.

1. Terms of Sale—Cash

Immediately after your purchases are completed, settlements and shipping instructions will be taken in the front office of the Auditorium. Information on freight schedules and rates, and livestock insurance will also be available.

All purchases must be settled for within one hour of the sale of the animal. If any purchaser fails to settle for his purchase as stated, the Committee reserves full power to resell the animal to the best advantage either publicly or privately, without further information and any loss arising from such resale, together with the keep and all other expenses, will be collected from the defaulter.

Immediately after each purchase is declared the risk of the animal shall be exclusively with the purchaser, and until a settlement is made in the terms of these conditions the delivery of the animal shall be suspended.

Before an animal can be removed from the building, the buyer must present to the Barn Superintendent the official receipt and release signed by the Treasurer or Association Representative.

2. Pedigrees

Ear tattoos and identification of all stock contributed to this sale have been checked and compared with the Registration Papers for your protection. The Registration Certificates will be transferred to your name on the books of the Canadian National Livestock Records at Ottawa and the transferred Registration Papers forwarded, by mail, to you.

The purchaser of an animal at an Association sale will be given twenty days after the last day of the sale within which to file with the Secretary claim for compensation by reason of any erroneous information respecting such animal that may appear in the catalogue and was not corrected by the auctioneer at the time the animal was offered for sale.

3. Mail Order Purchase

The Secretary is prepared to purchase bulls for persons unable to attend the sale personally. To do this you should send a marked cheque, for the amount you are willing to pay, made out to the Saskatchewan Cattle Breeders' Association and indicate the lot numbers you would wish a bid placed on. Averages at these sales will be found on the back cover of this catalogue.

4. Order of Sale

Animals will be sold in the order of contributor's name in the catalogue. For the day and time at which different breeds are sold, see the program in the front of this catalogue. All stock must be returned to their original stall by the seller and left there until settlement has been made. Contributors must feed and care for animals until evening of the day on which they are sold.

5. Bidding

A bull failing to bring an opening bid of \$300.00 will be withdrawn from the sale. If any dispute arises between two or more bidders, it will be settled by the animal again being put up and resold. The decision of the auctioneer shall be final in such cases.

6. Health Regulations

(a) As the Province of Saskatchewan has been declared a Restricted Area for the eradication of Bovine Tuberculosis, all cattle entering this Show and Sale from herds not dealt with under the Accredited Herd Plan, will be of Restricted Area standing.

(b) To qualify for export to U.S.A. all cattle must have passed a blood test for Brucellosis within 30 days of the date of sale. To avoid delays owners shall arrange to do this through their local Veterinarian where reasonably possible.

(c) All cattle contributed to this sale must be free of skin diseases, parasites, or other obvious abnormalities.

7. Breeding Guarantee

(a) Should a bull, under natural service conditions, in the opinion of the purchaser, be a non-breeder, the purchaser shall report the same in writing to the Secretary of the Association between two and six months from the date of sale. The purchaser shall then complete a Statutory Declaration supplied by the Association. The purchaser may be required to retain the bull for the six months and after this period, the contributor shall have the option of testing the animal for four months on his own premises. If the animal then proves to be a non-breeder, the contributor will refund 75% of the purchase price of a bull purchased for a price of up to \$1,000; 90% refund of bull's purchase price if in excess of \$1,000, or supply an animal of approximate age, quality and breeding, and the non-breeder to be returned to the contributor. A contributor will not be responsible for injury, infection, or sickness which was not apparent at the time of sale, or for improper care and feeding by the purchaser. In either case the purchaser is to be responsible for all transportation charges incurred.

(b) It is to be clearly understood that the Association is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations, neither does the Association assume any financial obligations to collect or enforce collection of any moneys between parties and any legal action that may in exceptional cases, be taken, must be between the buyer and seller themselves. The Association guarantees all pedigrees or will revoke any sale concerned. In all cases the influence of the Association will be exerted, as far as possible, to hold all parties strictly to these regulations.

8. Loading and Transportation

(a) Animals not to be shipped by rail will be delivered to the various buyers on the grounds, who will take charge of them immediately after settlement has been made.

(b) The Association will undertake to feed and load animals purchased at this auction sale for a fee of \$5.00 per head. Animals will be shipped F.O.B. Regina. When the distance is over one hundred and fifty miles, the purchaser may have to accompany the animals or pay the Association for securing a man to take the shipment.

(c) The loading and shipping of cattle after the sale will be conducted under the direction and supervision of the Association, and all cattle to be shipped by rail will be regarded as delivered to the purchaser when they have been properly loaded and billed to their destination. Purchasers will be expected to render any assistance in the loading and shipping that may be required of them and to make all necessary arrangements among themselves and with the Secretary for such attendant or attendants as may be required to accompany the cattle to their destination.

(d) Every care will be exercised by the management to prevent injury to, or loss of property, and to insure the prompt collection and delivery of animals at the proper destination, but the Association, acting only as a medium between buyer and seller, will not be responsible for any loss or damage that may occur during transportation.

9. Powers of Executive Committee

The Executive Committee shall have power to cancel the sale of any animal before delivery provided such course in its opinion is fair and just, both to buyer and seller.

The Treasurer will have power to give receipt in full for all payments on stock and will remit the amount realized, less the proper charges for each animal, to the contributor within three weeks after the date of the sale.

Purchase of Breeding Stock for Export

Complete information regarding the purchase and export of breeding stock to the United States is available if required. Cattle are exported from this sale every year to the United States. Last year over 30% of the bulls sold went to the U.S.A.

Arrangements have been made for a representative from Canadian National Livestock Records to attend the sale and transfer the registration certificates to the names of American Buyers. Veterinarians from the Health of Animals Division will also be in attendance to take immediate tests for T.B. and Bang's Disease, if necessary. These facilities are provided to encourage American buyers and cause the least possible delay in shipment.

United States funds will be accepted at the current rate of exchange for the purchase of stock.

— ALL ANIMALS MUST BE SETTLED FOR WITHIN ONE HOUR AFTER THE SALE —

One dollar is a small investment — but it will bring good dividends if it is used to buy a membership in the Saskatchewan Cattle Breeders' Association. Your membership will insure that you will receive sale notices, entry forms, catalogues, the annual report and the live stock calendar. You will be able to attend all meetings and elections and in that way take a hand in the formation of livestock policies.

Join now by sending \$1.00 to Larry Schneider, Secretary-Treasurer, P.O. Box 167, Regina, or, if you are attending the sale, memberships will be taken at the Livestock office.

HEREFORDS (POLLED)

SHOW
MONDAY, March 25 — 5:00 p.m.
SALE
TUESDAY, March 26 — 9:00 a.m.
WEDNESDAY, March 27 — 9:00 a.m.

As the Province of Saskatchewan has been
declared a Restricted Area for the Eradication
of Bovine Tuberculosis, all cattle entering the
Show and Sale from herds not dealt with under the
Accredited Herd Plan will be of Restricted Area
Standing.

Again by the Hercules bull and out of the biggest cow in our herd. His full brother sold in last year's sale to Little Beaver Creek Ranches of Missoula, Montana, for \$1,250. They resold him shortly afterwards for \$3,000. 34D is the same calibre of bull.

36D is out of our great 21T cow. 21T is the mother of two of our best cows as well as one of the best cows in the Charles Boyd herd at Mayslick, Kentucky. Another one of her daughters was the Champion female at the 1970 Chicago International Show. Her bulls all head registered herds. One son sold in the 1972 Regina Sale to T.J. Adkins for \$2,125. T.J. sold an interest in him to the Shain Hereford Ranch at Tarrington, Wyoming, where they are very pleased with his calves. Another son sold in last year's sale to Justamere and is now one of the herd sires for the Thoens at Viscount. We feel 36D is one of her best.

— ALL ANIMALS MUST BE SETTLED FOR WITHIN ONE HOUR AFTER THE SALE —

One dollar is a small investment — but it will bring good dividends if it is used to buy a membership in the Saskatchewan Cattle Breeders' Association. Your membership will insure that you will receive sale notices, entry forms, catalogues, the annual report and the live stock calendar. You will be able to attend all meetings and elections and in that way take a hand in the formation of livestock policies.

Join now by sending \$1.00 to Larry Schneider, Secretary-Treasurer, P.O. Box 167, Regina, or, if you are attending the sale, memberships will be taken at the Livestock office.

EXOTICS!

SHORTHORNS ARE PART OF THE HERITAGE OF OVER 30 BREEDS OF CATTLE IN THE WORLD TODAY.

SUPERIORITY

IN THE STEER SHOWS

At the Canadian Western Agribition '73 Steer Show, the Championship class of 16 animals contained six steers that were either from Shorthorn or 1/2-blood Shorthorn dams.

IN THE COMMERCIAL HERD

For the past two years the top price at the Regina Shorthorn Bull Sale has been paid by Mr. Nathan Roen, Duchess, Alberta, a man that raises strictly commercial cattle.

Save yourself some money this summer and make a lot more on next year's calves.

**FORGET ABOUT YOUR COSTLY AI AND TURN OUT
AN EXOTIC SHORTHORN BULL THIS SUMMER!**

IN THE CARCASS CLASSES

The Grand and Reserve Champion steers in the 1973 Toronto Royal Carcass Class were 1/2-blood Shorthorn steers.

ON EXOTIC CROSSES

Because of their high milk production and pigmented udders, combined with their ability to calve regularly and unassisted, Shorthorn cows have shown themselves to be far superior to the other native breeds when called on to raise and wean a large, exotic calf.

1055	KEITH PARK SUPERMAN 5th - X439076 R ADMP 16D rt. ear; S/S: Pleasant Dawn Riverhurst 3rd - X The sire of these five "Superman" bulls, Keith Park Superman X, is a son of the great Pleasant Dawn Riverhurst 3rd, who was used in our herd and sired many champions for us, including the two top-selling bulls at this Sale last year. Both "Riverhurst 3rd" and "Superman" are 100% dehorning bulls. Keith Park Superman is a full brother to the top-selling bull at last year's sale. 1056	KEITH PARK COMMANDER - X438274 R ADMP 20D rt. ear; S/S: Saltburn Royal Oak 2nd - X The sire of this bull is out of our show cow, and was used on the yearling heifers one year and then sold at the 1972 Brandon International. Keith Park Commander is a later calf, but has a lot of stretch, very trim, and our best heifer's first calf.		Jun. 2/72	Green Dell Commander - X S/D: Keith Park Gay Lad - X	Colbert Hill Rena 2nd - X

— ALL ANIMALS MUST BE SETTLED FOR WITHIN ONE HOUR AFTER THE SALE —

One dollar is a small investment — but it will bring good dividends if it is used to buy a membership in the Saskatchewan Cattle Breeders' Association. Your membership will insure that you will receive sale notices, entry forms, catalogues, the annual report and the live stock calendar. You will be able to attend all meetings and elections and in that way take a hand in the formation of livestock policies.

Join now by sending \$1.00 to Larry Schneider, Secretary-Treasurer, P.O. Box 167, Regina, or, if you are attending the sale, memberships will be taken at the Livestock office.

The Saskatchewan Livestock Associations

*"Working for the Improvement of the
Livestock Industry"*

There are many people engaged in the various phases of this industry who are not members. You may be one of these. We suggest that in order to do your part to assist, you should look over this list of Associations and take out membership in those in which you are interested.

Sask. Cattle Breeders' Ass'n

Pres. Gordon Hollinger, Lemberg
Vice-Pres. John Blacklock, Saskatoon

Sask. Horse Breeders' Ass'n

Pres. G. N. Robbins, Laura
Vice-Pres. W. J. Smith, Drinkwater

Sask. Swine Breeders' Ass'n

Pres. Don MacKay, Aberdeen
Vice-Pres. Ward Mortenson, Govan

Sask. Sheep Breeders' Ass'n

Pres. W. E. Dennis, Parkman
Vice-Pres. Del. Hauptstein, Weyburn

The Associations Have Two Major Objectives:

1. The development of the phase of the livestock industry which they represent. This involves the distribution of educational material, assistance to Boys' and Girls' Clubs, Fairs, Field Days and providing various services to individual breeders.
2. Conducting Shows and Sales. In this way breeding stock is distributed and breeders are provided with a medium for sale of their stock.

Membership in these Associations will mean that your name will be on all mailing lists for entry forms, catalogues, annual reports, notices of meetings, livestock calendar, and circulars. Membership fee for each Association is \$1.00 per year. (Horse Breeders \$2.00.)

Send this form and appropriate remittance to:
